

Romagna

Arranged According to The Scott Classic Catalog with Sassone Catalog Cross-References

1859

Unwatermarked
Imperforate

Reprints

Characteristics of Reprints

- The description of the genuine stamps also covers that of the reprints, but the latter show various breaks in the "Y" shaped figures, and some of the dots are missing, or joined to the rings.
- Some of the reprints are on paper of the correct color, but many are not. Many odd colors exist.
