Type 4 - Fournier

- The corner ornaments and dots are clean-cut and resemble the original, but the ring in the upper right hand corner of the upper right hand corner ornament is unbroken where it joins the center ring.
- The letters "RA" of "FRANCO" are very close together at the bottom and are joined on heavier inked copies.
- The stops after "BAL" are square and about the correct size; but the lower stop has the top edge horizontal instead of slanting upward to the right.
